September 15, 2000

BLM
Fillmore Field Office
35 East 500 North
Fillmore, UT 84631

Dear Ms. Wysong:

After reviewing all the information made available to us, we have made a decision at this time to purchase the material directly from the BLM under community pit permits rather than pursue mining claims for all quarries.

We have written to the Utah Division of Oil, Gas, and Mining requesting applications for large mine plans for future use.

Sincerely,

Philip N Levin
President
Levin Stone Co., Inc.
